Women Build 2019

172 Concord Street, Holliston, MA

Teams pick ONE build day. Dates are filling up quickly!

Tuesday, April 30th - Saturday, May 4th

Tuesday, May 7th - Saturday, May 11th

Overflow dates available upon request.

8:30 AM - 3:30 PM

Since 1991, Women Build volunteers from all walks of life have come together to build stronger, safer communities. Our future homeowners are largely comprised of women and children **whose living conditions may be unsafe, unhealthy, unaffordable, or over-crowded**. Our Women Build events provide the opportunity for women to take a proactive step in helping other women improve their living situations. Your involvement makes a huge difference helping our homeowners achieve a more stable and secure life.

Important details about Women Build:

- **About the project:** Help us renovate a 110-year-old home located at 172 Concord Street in Holliston. This 2 story, 3-bedroom single family home with 1 ½ baths is located on a .5 acre parcel and will provide an affordable home in a safe community for a local family.
- **No experience necessary!** We have staff and regular volunteers on site who will train and lead you in your build activities. We'll provide the tools, or bring your own!
- **This is one of our largest fundraisers of the year.** To participate in Women Build we ask that you help us engage in peer to peer fundraising, or sponsor a team. Our FirstGiving site is easy to use and allows you to quickly and conveniently share why you are involved in this event.
- **Each participant is encouraged to raise \$500 which helps build stability for local families.** We have resources to make this easy and fun; for example by using email, social media and telling the story just 10 gifts of \$50 from friends and family could get you there!
- **Men are welcome to join us!** While the overall goal of Women Build is to achieve significant female participation, we certainly welcome everyone to build.
- **You will make a difference.** No matter how you support Women Build, know that you are making a difference for women, your community, and the world.

Each participant is encouraged to raise \$500 which helps build strength, stability, and self-reliance for local families. We have resources to make this easy and fun; for example by using email, social media and telling the story just 10 gifts of \$50 from friends and family could get you there!
